FORGER BY A JURY H. Springer, alias F. D. Hill, alias John Alberts, was found guilty of forgery by a jury in the 34th district court Friday morning and sentenced to serve a two year term in the penitentiary. The charge was passing a bogus \$5 check on the Family grocery, 317 West Over-

land street. Following his arrest on the charge, Springer, who was taken to the county jail gave P. E. Gardner, an attorney whom he called to represent him, a check for \$100. The check was returned and Springer immediately gave another check for \$100, saying he had made a mistake in drawing the check on the wrong bank. The second check was also returned.

In the meantime, four counts charging swindling were filed in the county court against Springer. The cases are still pending.

On the score that Springer is mentally incapacitated, his present attorney, Dan Jackson, states he may make an effort to have his client declared insane. In this, he is to be helped by a brother of Springer's, who has arrived in El Paso. The brother states he will make good the losses incurred by his brother on the swindling charges, provided the cases are dismissed in the county court. Mr. Jack-son states that a prominent El Paso physician will make an affidavit that the penitentiary is not the proper place

or Springer.
